

Public Course Training with PTP

MANAGEMENT TRAINING ◆ CUSTOMER CARE ◆ FINANCE ◆ PERSONAL DEVELOPMENT ◆ SALES

PTP stands for **Practical Training for Professionals** and our aim is to make our training as practical as possible so delegates can return to the workplace with skills they can implement immediately. PTP now delivers training to over 40% of the FTSE 100.

What you get for your money

- Each delegate receives fully comprehensive training notes and a framed certificate of attendance
- Lunch and refreshments – in many of our venues this is a sit down 2/3 course lunch
- All courses run with 2-10 delegates with an average of just 5 ensuring that delegates individual needs are met
- Each delegate completes an action plan, which PTP then emails back to their line manager to ensure maximum benefit from the training is gained
- Ongoing support for the delegates – any post-course questions will be answered by the PTP trainer

PTP has 7 main UK centres and another 50 others for you to choose from

We have over 200 PTP courses with scheduled open course dates at our 7 main UK centres

Unlike other companies, we rarely cancel a course as we will run with a minimum of 2 delegates
